

HEARTACHE TONIGHT

A TRIBUTE TO THE EAGLES

FEATURING ALL THEIR GREATEST HITS

TAKE IT EASY • LIFE IN THE FAST LANE • LYIN' EYES • HOTEL CALIFORNIA
TAKE IT TO THE LIMIT • ONE OF THESE NIGHTS • TEQUILA SUNRISE • AND MORE

Heartache Tonight is without question the finest Eagles tribute in the country.

They perform songs from all eras and incarnations of the Eagles, including many of the individual member's solo hits, like Joe Walsh's "Rocky Mountain Way," and Don Henley's "Dirty Laundry." Drummer Chris "Bean" Weng's voice is a dead ringer for Henley's, while band leader Tom Carey nails the Glenn Frey tunes, like "Already Gone" and "Take It Easy." Guitarists Tom O'Brien and Jim Altenbach use a mix of vintage and modern equipment that allows them to replicate exactly all the original Eagles guitar tones, ensuring that each hit song sounds just the way it did when it was first recorded. Bassist John Forrest and keyboard player Scott Bahry sing the lion's share of the soaring signature harmonies that made the Eagle's sound so iconic.

From the powerful guitar duel in "Hotel California" to the shimmering harmonies of "Peaceful Easy Feeling,"

Heartache Tonight delivers a true Eagles concert experience in virtually every detail.
